

Probable Interview Questions – Hassan Muhammad Shoaib

1. Please introduce yourself.

Hello, my name is Hassan Muhammad Shoaib. I am from Sargodha, Pakistan. I graduated from Superior College for Boys Bhalwal. I would like to study Korean at Ansan University before pursuing a Bachelor's degree in Business Administration.

2. Why do you want to study in Korea?

South Korea has an excellent education system, advanced technology, and a strong global economy. I believe studying there will provide me with valuable academic knowledge and international experience.

3. Why did you choose Ansan University?

I chose Ansan University because of its supportive learning environment, high-quality Korean language program, and strong support for international students.

4. What is your plan after the Korean language program?

After completing the Korean language program, I plan to enroll in a Bachelor's degree in Business Administration.

5. Who will pay for your education?

My father, Ullah Aman, is my financial sponsor. He has a stable income and can cover my tuition, accommodation, and living expenses.

6. What is your father's occupation?

Please answer according to your father's actual profession.

7. How will you support yourself financially in Korea?

My father will cover my accommodation, food, insurance, transportation, and personal expenses throughout my studies.

8. Do you already speak Korean?

A little, but I want to improve my Korean significantly through the university's language program.

9. Do you have any family or friends in Korea?

No, I do not have any family in Korea.

10. Do you intend to work in Korea?

My main goal is to study and improve my Korean. I want to focus on my studies first.

11. Why not continue your studies in Pakistan?

I believe Korea offers higher-quality education and better academic opportunities, especially in business and management.

12. What is your future career goal?

After my studies, I plan to return to Pakistan and build a professional career in business while strengthening trade cooperation between Pakistan and Korea.

13. Where will you live in Korea?

I will stay in the university dormitory so I can adapt to university life and focus on my studies.

14. What will you do if your studies become difficult?

I will study seriously, participate actively in language activities, and do my best to succeed.

15. Why did you choose Business Administration?

I developed strong communication, analytical, and interpersonal skills during my secondary education, which motivated me to pursue Business Administration.
